

Paros

3 Nights

01 July 2014 – 30 September 2014

Summary

Unrivalled natural beauty, beaches with crystal clear waters, unrivalled Byzantine footpaths connecting traditional villages and breathtaking landscapes make Páros, located at the heart of the Cyclades, one of the best loved holiday destinations in Greece.

Greek mythology

Parrhasius was a son of Lycaon named after Parrhasia, an area in Arcadia. Many say that he was a son of Zeus, and had two children Arcas and Parus; the island of Paros was named after Parrhasius' son Parus.

According to Greek mythology the creation of the Cyclades is attributed to the god, Neptune. It is said the god of the sea transformed the nymphs Cyclades into islands, when they angered him.

Festivals and activities

The Pirates Festival: this celebration represents the raids of the pirates in Paros. Young boys dressed in traditional pirate costumes jump from the caiques (fishing boats) and run in the crowd to snatch the girls and take them away. Fireworks, traditional music, dances, local food and wine are composing this great feast.

Extensive list of events and music: Paros organizes small or larger festivals involving art exhibitions, dance and music events, concerts, theatrical performances or even book fairs happenings all during the summer season
