

# Amorgos

3 Nights

01 July 2014 – 30 September 2014

## Summary

Amorgos is a remarkably unspoiled island at the south-eastern edge of the Cyclades group. A wonderful holiday destination with fantastic opportunities to walk, visit beautiful villages and interesting historical sites, paint, photograph and observe local nature.

As the day fades into evening head to one of the nearby beaches such as Aegiali Beach and Agia Anna Beach and take pleasure in relaxing beside the water. Throw a frisbee, catch some rays and then stroll along the beach. You'll feel refreshed and invigorated.

Before your time is up in Amorgos Island, stop by the Anargyroi Church and the Monastery of Panagia Hozoviotissa; two more places which help make this city the special place it is.

## Festivals and activities

**The feast day of Agion Anargyron:** this feast is celebrated in the villages of Tholaria and Aegialis. There is traditional music and dance (1st of July)

**The feast day of Agia Paraskevi.** The homonymous church lies in Arkesini and during that day there is plenty of food and wine. It is one of the major celebrations of Amorgos where thousands of pilgrims and visitors arrive (26th of July)

## Greek mythology

According to ancient mythology, King Minos of Crete land ruled a second kingdom on Amorgos island, It has also been considered as a place full of positive energy, since antiquity. This is why, the Ancient Water Oracle dedicated to Apollo God was established here and people from the whole Mediterranean were visiting the island in order to get advice. Today, at the same spot, there is the Byzantine Monastery of Saint George where Holy Water still emerges from the earth in a natural cave inside the Church. You can feel the strong energy when you are there
