

The Eternal River

4 Nights

01 November 2014 – 31 March 2015

Summary

The Steam Ship Sudan, an authentic steamship built at the dawn of the 20th century, brings turn of the century travel to life again.

A boat inhabited by the memory of the King Fouad who received it as a gift in 1885; the memory of the Belle Époque travelers who used it; or that of Hercule Poirot who Agatha Christie had walking its decks in her writings...

A decor seeming frozen in time with its retro charm and its brass and woodwork setting.

If discovering the Nile Valley is the trip of a lifetime, choose to live it on board this steamship to make this experience even more unique
