

Short Break in Rome

3 nights

01 May 2015 – 31 October 2015

Summary

The best way to see the city is to walk. The sights of London or Paris might be mapped out by a few select subway stops. But in Rome, where you can usually count on good weather and unreliable transportation, you're best off doing as much as possible by foot. On the street is also where you'll unearth those unexpected finds. The warm aroma of a bakery. The handmade leather of a local craftsman. The tucked-away piazza that seems stuck in the 16th century, with grandma hanging the clothes out the window and six-year-olds chasing each other across the cobblestones. Even if it doesn't ever really change, Rome always has the power to surprise.
