

Mykonos, Amorgos & Milos

9 Nights

01 June 2015 – 31 October 2015

Summary

Visit three amazing islands of Cyclades in this island hopping tour that starts from Mykonos, the most vibrant and second most popular Greek destination, famous for its traditional architecture, the gorgeous beaches and the fun nightlife.

Amorgos is a discovery, love at first sight, it sends you into raptures, the whole island is an incontaminate and majestic landscape with its mysterious crests, cliff sides and unknown panoramas in every place.

Well-known for the famous Venus statue and the Poseidon one, besides the Roman catacombs (unique in Greece), Milos is a place with volcanic origins and breathtaking landscapes, very original and never trivial ones, incredible colored cliffs, carved rocks, secret gardens, many beaches – most of them in the shadow of tamarisks – with wide white sand stretches, small creeks and stacks with iridescent colors, caves and labyrinths inside the rocks.
