

East West Enchantment

19 Nights

01 December 2015 – 31 May 2016

Summary

This is a country of road trips and great open skies, where four million miles of highways lead past red-rock deserts, below towering mountain peaks, and across fertile wheat fields that roll off toward the horizon. The sun-bleached hillsides of the Great Plains, the lush rainforests of the Pacific Northwest and the scenic country lanes of New England are a few fine starting points for the great American road trip. The East Coast of the USA is a wondrous mixture of the exciting history, culture and natural beauty of the eastern seaboard. Cities and states that are well known even if you have never travelled to the region instantly conjure up images in your mind.
