Summary

Welcome aboard Radiance of the Seas

The Inside Passage embodies the best of Alaska's pristine nature and rugged beauty. The wildlife, rainforest shrouded in mist, magnificent fjords and the majesty of the Hubbard Glacier are among the many photo ops.

Ketchikan is the gateway to Misty Fjords National Monument, whose landscapes and dramatic seascapes can only be reached by plane or boat. The Salmon Capital is a hub for sports fishing and home to a collection of totem poles.

The Huna Tlingit welcome visitors to Chichagof Island, where you can experience their rich culture, unspoiled wilderness and the wonders of Glacier Bay National Park. Inside the 1912 cannery complex visit the free museum.

Surrounded by fjords, forest and snow-capped mountains, Juneau is one gorgeous state capital. Its historic downtown harkens back to its gold-rush origins and you can still pan for gold. But nature is the priceless treasure.

The great Klondike Rush lives on in Skagway's charming downtown of restored 19th-century buildings and its historic railway. From the vintage train, admire the mountains and see the 1898 trail that fortune seekers traveled on foot.

Hubbard Glacier is 76 miles long, 7 miles wide and 350 feet above the water line where it meets the bay. Watch as massive chunks of ice crash into the bay, a process known as calving that the Tlingit people call "White Thunder."

Seward is perched on a peninsula where the ice age has had lasting power. Where ocean and mountains meet, the frosty waters and rugged coast of Resurrection Bay sustain birds, sea mammals and other marine life.
