Summary

Welcome aboard Serenade of the Seas

Scandinavia's largest city is a treasure trove of art, history, architecture and modern design. Copenhagen artfully mixes fairy-tale settings like palaces, castles and elegant gardens with cutting-edge style and contemporary chic.

Stavanger delights with its mix of old-world charm and modern bustle. The center of Norway's North Sea oil production, the port sits on a scenic archipelago nestled between imposing mountains and sandy beaches.

Even if you've never heard of Art Nouveau, the signature architectural style is only part of the appeal of this village of small islands and canals. A charming harbor, towering fjords and mountains complete the picturesque setting.

Considered the most beautiful in Norway, the Geiranger fjord astonishes with its power and beauty. There are various ways to experience this natural wonder: hiking, kayaking, biking or enjoying the views from a high mountain summit.
