

Provence et ses Peintres

9 Night

01 May 2016 – 31 October 2016

Summary

Vacation snaps and souvenir t-shirts will fade, but memories of your time in Aix-en-Provence, in Provence, France, will linger forever. As you approach Provence there's a magical moment when you finally leave the north behind: cypresses and red-tile roofs appear; you hear the screech of cicadas and breathe the scent of wild thyme and lavender. Along the highway, oleanders bloom against a backdrop of austere, sun-filled landscapes, the very same that inspired the Post-Impressionists.
