

River S.S. Antoinette
7 Nights
Castles along the Rhine

Book your 2018 Uniworld Cruise before the end of June and benefit from 10% discount!

Summary

Find inspiration in the romantic, soul-stirring beauty of the fabled Rhine

Flowers tumble from baskets lining streets of half-timbered houses, and lights glint off quiet canals. A mighty river carries ships and cargo through a landscape shaped by time and history. The spires of medieval churches and castles appear around each bend in the river, and vineyards climb the verdant hillsides.

Cruise along the Rhine—Germany on one side, France on the other. Discover Alsace, whose dual French and German heritage has given it fabulous food and a winemaking tradition that goes back to the Romans. Marvel at castles that were once mighty fortresses and get an insider's look at one of the only castles on the Rhine that has never been destroyed, Marksburg Castle. Visit historic cities, including ancient Cologne and picturesque Strasbourg; stroll through the fairytale towns of Riquewihr, Kayserberg and Rüdesheim; and taste delightful white wines in the villages where the grapes are grown. Beethoven and Byron loved the romantic landscapes of the Rhine River, and the beauty that inspired them is still yours to experience.
