

Coco de Mer Island

7 Nights

November 2017 – June 2018

Summary

Talcum-powder beaches lapped by topaz waters, lush hills, a sublime laid-back tempo; these dreams of a tropical paradise become reality in the Seychelles. Mother Nature was very generous with these 115 islands scattered in the Indian Ocean, and has spoiled them rotten. Undeniably, the beaches are the big attraction, and what beaches: exquisite ribbons of pearlescent sand lapped by topaz waters and backed by lush hills and big glacis boulders. And hardly a soul in sight. Choosing your favourite beach is like trying to pick a flavour of ice cream – they're all so good! Hot favourites include world-famous Anse Source d'Argent, secluded Anse Marron, sexy Anse Takamaka and picture-postcard perfect Anse Lazio.
