Cape Town Journey: Pretoria to Cape Town

October 2017 – September 2018

Summary

This 1 600-kilometre meander is a perfect illustration of South Africa as a world in one country. Travel the grasslands of the gold-rich Highveld to the haunting barrenness of the Great Karoo; trundle through the spectacular mountain ranges and scenic winelands of the Cape. Journey's end is Cape Town, the Mother City of South Africa, cradled by the imposing bulk of Table Mountain, Devil's Peak and Lion's Head. Highlights of the north- and southbound routes include a visit to the historic village of Matjiesfontein; this authentic perfectly preserved Victorian Village – founded by Mr. Logan as a refreshment stop in 1890 – also boasts an impressive museum on the platform. Another stop is made in Kimberley providing an opportunity to enjoy a city tour and a visit to the Diamond Mine Museum and the world's largest man-made excavation, the Big Hole.

General Information

Currency

South Africa – Rands only. We accept all major credit cards on the train. - Outside of South Africa – Any off-train expenses or additional excursions booked while on the train are to be paid with US Dollars. Hotels and major dealers accept credit cards. - US Dollars printed before year 2001 won't be accepted. Low denominations recommended for shopping/gratuities. Larger denominations recommended for exchanging money to local currency (especially in Tanzania) as you get a better rate. The Gift Shop on board might exchange money if currency is available, but it is not normally catered for

Gratuities

Gratuities for the staff are at your discretion. If you wish to show your appreciation in this manner, there is a suitably marked envelope in your suite that you can hand directly to the Train Manager who will distribute any amounts on a pro-rata basis (share) amongst the staff on board. An amount between ZAR100 to ZAR200 (± US\$10 to US\$20) per person per night is suggested, depending on the length of your journey

Children

Please be sensitive to the adult atmosphere of the train by keeping your children respectful and quiet. Long journeys are not recommended for under 13s. There are no child-minding facilities or activities for children on board. See Child Policy

Locomotion: *Use of steam has become increasingly difficult over the years as more and more water and cooling facilities have been scrapped. Diesel or electric locomotives are used while steam is used in and around the area of Rovos Rail Station only*

The track over which we travel is inconsistently maintained. If you wake at night imagining the train is travelling at high speed, be assured it is the state of the track below creating that impression. We restrict the train to 60km/h (37mph) and over bad sections reduce speed to as little as 20km/h (12mph). If you find it noisy, earplugs are available

Cuisine

Meals are served in one sitting only in the charming Victorian atmosphere of the dining cars and are complemented by a selection of fine South African wines. Breakfast: 07h00-10h00 • Lunch: 13h00 • Tea: 16h30 • Formal Dinner: 19h30. All meals are served at these times unless otherwise stated in the timetable. A gong heralds lunch and dinner

Dietary Requirements

We will do our best to cater for dietary requirements provided a detailed request has been made on the Reservation Form. If a special request has not been made, the chefs will endeavour to prepare suitable meals with the ingredients available on board. We regret we are unable to prepare meals requiring strict religious observance in the preparation

Dress code

For days on the train dress is smart casual. Evening attire is more formal – for gentlemen a jacket and tie is a minimum requirement while for ladies we suggest cocktail/evening dresses or suits. For off-train excursions, we strongly recommend comfortable walking shoes, sun lotion and hats. If required, blankets and rain capes are available. For game drives, which are on open vehicles, please dress accordingly: mornings can be cool then warm up considerably; afternoons can be warm then cool down considerably. Please see average temperatures as a guide

Mobile Devices and Internet

In maintaining the spirit of travel of a bygone era, there are no radios or television sets on board. The use of mobile phones, laptops and essentially anything that has the ability to disturb other passengers is confined to the privacy of your suites only. The reception is poor while the train is moving. It is advised to contact your service provider to ensure the correct settings for network services are activated. Internet is available at our lounge in Cape Town, Rovos Rail Station, Tau Game Lodge, Victoria Falls Hotel, Mokuti Lodge and most of the other Namibia Safari accommodation

Smoking

On board the train, smoking is allowed in the Club Lounge only. Please note on the Reservation Form provided if you are smoking or non-smoking so that the appropriate room might be requested at the hotels. Smoking is allowed in the privacy of your suite, but please be mindful that the train is generally made up of wood; please don't throw flammable items such as cigarette or cigar butts off the train as bush fires in Africa are a constant and dangerous hazard

Laundry

There is a limited laundry service on board comprising household washers, dryers and steam irons. The turnaround is 48 hours so we are not able to handle a week's worth of washing. Please note that while we are providing a complimentary service we cannot be held responsible for items that may be damaged or lost in the process. There are no dry-cleaning facilities en route or on board the train

Luggage

Each suite has a luggage rack that runs its length providing ample space for storage. On selected annual journeys, guests are provided with a Rovos Rail tog bag that can be used for overnight trips or hand luggage on aircraft
