*Vision of the Seas: Western Mediterranean Cruise*

### Summary

Welcome aboard *Vision of the Seas*

A top European center for art, architecture, design and cuisine, this stylish city has its own language and culture. The soul of old Barcelona is its Gothic Quarter; outside the medieval district, discover iconic landmarks and more. History in Cartagena runs deep, back to ancient Carthage. Along Cartagena's narrow streets you'll also find a mix of old churches, Baroque palaces, 19th-century mansions and Modernist architecture plus lively restaurants, cafes and bars. In Lisbon, the discoveries of early explorers made a small kingdom a world power and its capital a wealthy city. Your explorations in Lisbon can include the village-like Alfama district, churches, castles, and elegant 18th-century squares. Le Havre has been the key port in northern France for centuries. From here travel inland along the Seine to enchanting Paris or explore the sights of Normandy, from medieval villages to the beaches where Allied troops landed in 1944. Crisscrossed with canals and home to stunning medieval architecture, Bruges is a delightful town worthy of a fairytale. The atmospheric historic center feels a world apart from the modern port of Zeebrugge just 10 miles away. The picturesque Dutch capital of Amsterdam combines the enchanting ambiance of a 17th-century city with the style and character of a modern metropolis. It is a treasure chest of superb architecture and world-class art.
