

## Madrid & Marbella

7 Nights

June 2018 – September 2018

### Summary

From the remains of the old Arab wall, to small Gothic churches and early Renaissance works, Madrid boasts a multitude of rich and varied works of art. No city on earth is more alive than Madrid, a beguiling place whose sheer energy carries a simple message: this city really knows how to live! Then, proceed to Marbella! The Costa del Sol's bastion of bling is, like most towns along this stretch of coast, a two-sided coin. Standing centre stage in the tourist showroom is the 'Golden Mile', a conspicuously extravagant collection of star-studded clubs, shiny restaurants and expensive hotels stretching as far as Puerto Banús, the flashiest marina on the coast, where black-tinted Mercs slide along a quay populated by luxury yachts.
