These luxurious tented camps move around the park year-round, attempting to anticipate the movements of the Great Migration and exploring the remote and beautiful corners of the Serengeti with excellent resident game. Using only private campsites, these mobile camps are entirely intimate and exclusive, featuring spacious safari tents, each with a double bed, ensuite bathroom, separate w.c and al fresco bucket shower. Redolent of classic safari style, custom-made Indian rugs, crisp linens, sparkling crystal and polished brass lend flair to the simplicity of camping.

The camp boasts spacious tents. With an additional two metres (almost seven feet) in length, each tent features an indoor sitting area, thus giving guests more privacy. The day bed in the sitting area converts into a comfortable bed for children under the age of 12. With additional lighting, double shower, storage chest, luggage racks and safety deposit boxes, these are by far the most luxurious tents in the Serengeti.
