

Summer in Ios

7 Nights

July– September 2018

Summary

Ios Greece belongs to the Cycladic islands. It is particularly famous for the wonderful beaches, the picturesque village of Chora and certainly the intense nightlife that attracts mostly young crowds. Beach parties start in the midday and last till the early hours in Mylopotas, making it a popular place for teenagers and youth. However, this island is not only for partying. It has great places to relax away from large crowds and noise. The coastline of Ios has wonderful beaches with soft sand and emerald waters. You will also love walking along the narrow paved streets of Chora, one of the most picturesque villages in Cyclades. From the highest spot of Chora, you will enjoy a breathtaking view to the sea.
