

## South Island Explorer

7Nights

May - October 2018

### Summary

New Zealand is a miracle of geology — a verdant and varied continent compressed into two small islands. Epic landscapes intertwine. Glaciers slide through rainforest. Mountains trap the ocean into fjords and sounds. Vineyard rows lead down to the windswept beach. Jaw-dropping natural beauty, incredible outdoor activities, terrific fine wines no matter your pace, New Zealand is an adventure

The country is perfect for adrenaline junkies, foodies and a wide range of travelers in between. It's easy to find a place, alone from the crowds to take in or take on the natural wonders

### Wild Discovery Advantages
