**Day 1: San Jose**

Your tailor made Costa Rica tour starts with a flight to San Jose. Located in Costa Rica's Central Valley, this is a great hub from which to explore all the country has to offer. Here you'll find excellent museums, a wonderful Botanical Garden and lots of delightful coffee shops to relax in. Whether it's history you crave or a thumping nightlife you'll find it all here in San Jose.

Days 2,3: San Jose - Tortuguero

See nature in its most raw and beautiful state with a trip to secluded Tortuguero. Only accessible by boat or plane, Tortuguero means the place of the turtles. Green Sea, Leatherback and Hawksbill turtles come here to nest and breed, and you'll be lucky enough observe this amazing spectacle. There's wildlife in abundance at Tortuguero: traverse its shady freshwater creeks and lagoons on the hunt for more.

Day 4: Tortuguero - Arenal

It's time to board a boat headed for Guapiles, from where you'll be driven to Arenal. On the way, stop off for a private visit to Frog's Heaven, a tropical garden home to over 20 species of exotic amphibians. In the evening you'll check into the bubbling environs of Tabacon Hot Springs Resort.

Day 5: Arenal

You'll see panoramic views of the rainforest on an impressive Sky Walk. Stroll along a series of suspension bridges among the treetops experiencing the sights and sounds of the jungle canopy. In the afternoon, shake the jungle from your hair, pull on your hiking boots and embark on a gentle 2.5 hour hike along the base of the Arenal Volcano.

Day 6: Arenal

Adrenaline hunters will love today's half-day rafting lesson in the white waters gushing past the foot of Arenal Volcano. It's an equally enchanting experience for wildlife lovers too: monkey, sloth and tropical birds such as osprey, oropendola and toucan can be spotted as you drift through the dense forests lining the volcano. Ease yourself into a hot tub or enjoy a relaxing spa treatment at Tabacon in the evening after an invigorating day of exploring.

Day 7: Arenal - Monteverde

Monteverde is the holy grail for eco tourists. This misty reserve nestles between two of the world's most important cloud forests. The blanket of clouds provides a steady supply of moisture that creates verdant foliage, abundant flora and a perfect home for wildlife. You'll start with a sailing trip across Lake Arenal as butterflies gracefully emerge from the surrounding forest. An afternoon's hike will bring you into the heart of nature at its succulent best.

Day 8: Monteverde

Steady rainfall, rich volcanic soil and moderate temperatures have long made Costa Rica fertile land for the sugar cane and coffee bean industries. During today's private Sugar Mill Typical Tour you can enjoy a short walk through a family-run farm to catch a glimpse of the various plantations. You'll witness the entire process of coffee making, ride a Costa Rican ox cart and observe the process of making liquor out of sugar cane.

Day 9: Monteverde - Rio Perdido

For the next two days Guanacaste's vast network of hot water and mineral springs will wash the jungle off you. A private transfer to Rio Perdido delivers you to a hotel marooned in a 600 acre reserve of rare dwarf forest and rocky canyon lands. In the distance the imposing Miravalles Volcano provides a dramatic backdrop.

Day 10: Rio Perdido

Enjoy an exhilarating white water tubing experience and experience the majesty of the canyon from the precarious wobble of a rubber inner tube. Or you can test your mettle on Rio Perdido's Canyon Adventure. This challenging aerial circuit through the jungle will have you swinging like Tarzan 50ft through the canopy.

There's friendly locals, a buzzing sundowner scene and some top-notch beachside retreats. This is the ideal place to recover from your jungle adventures. Take the opportunity to show off your surfing skills or head off on a canoe to Tamarindo National Wildlife Refuge.

Day 15: Tamarindo - San Jose
