**Day 1: Nairobi - Arrival - Masai Mara**

Early morning arrival at Jomo Kenyatta International Airport, clients will be met and transferred towards Kenya's fertile highlands and head down the rift escarpment on the road built by Italian prisoners of war during World War II. On the way spot the charming chapel built at the foot of the escarpment. Pass the impressive Longonot earth satellite station as you head across the valley to Narok; continue your travels across acres of wheat and barley, before reaching the Masai Mara in time for lunch. Following lunch set off on your first game drive, returning to the lodge as the sun sets.

Overnight at **Sarova Mara Game Camp** on Full board basis

**Day 2: Masai Mara National Reserve**

Today will be spent exploring the vast plains of the Masai Mara, starting early with a game drive before breakfast, and returning to the lodge for meals. This reserve is an extension of the Serengeti ecosystem to the south. Game abounds here, particularly when the migration is on, and millions of wildebeests and zebras make their way back and forth across the Mara River on their annual trek.

The Mara is also noted for its abundance of lions - particularly the superb black maned males. You'll see lots of elephants here often in large herds, as well as, if you're lucky, leopard, cheetah and rhino. All of the Big Five are residents. You're sure to see the African buffalo. The huge expanse of grassland covers 320 sq km and is dotted with distinctive flat-topped acacia trees are watered by two rivers, Mara River and Talek River. It is also home to the nomadic Maasai people, who can be seen grazing their cattle, usually brightly dressed in red chequered capes. Get the cameras ready, stock up on film and enjoy yourselves!

Overnight at **Sarova Mara Game Camp** on Full board basis

**Day 3: Masai Mara - Lake Nakuru**

Leaving Masai Mara after breakfast, travel across the 'breadbasket' of Kenya, where acres of wheat and barley litter the landscape as you head north to Narok, the district headquarters of this part of Maasailand. Now travel across the vast plains on the floor of the Rift Valley, keeping an eye out for herds of giraffe and gazelle as you head up the Mai-Mai, before arriving at Lake Nakuru around midday. Once in the park, view game en route to the lodge. Following lunch and a siesta, there is an afternoon game drive returning to lodge as the sun sets. The national park, known for its birdlife, offers a possibility to view flamingoes. It is also home to Black and White rhinos as well as the endangered Rothschild Giraffe.

Overnight at **Sarova Lion Hill Lodge** on Full board basis.

**Day 4: Lake Nakuru — Lake Naivasha**

After a late breakfast, checkout and transfer to Lake Naivasha for a boat ride followed by drop to hotel. Arriving in time for lunch and the rest of the afternoon is at leisure.

Overnight at **Lake Naivasha Sopa Lodge** on Full board basis.

**Day 5: Lake Naivasha — Amboseli**

After breakfast, leaving the Rift Valley behind, proceed to Nairobi facility clinic for the PCR Test (Cost payable directly) followed by lunch and continue south towards Amboseli, arriving at your lodge by late afternoon. Your base for exploring this corner of Kenya and admiring the dramatic views of Africa's highest mountain.

Overnight at **Amboseli Serena Lodge** on Full board basis.

**Day 6: Amboseli National Park**

Wake up early this morning for a game drive as the sun starts to rise. This is the best time of day to spot the animals as they wake and go in search of their breakfast. If the weather is clear you'll also see the stunning snow-capped peak of Kilimanjaro appear on the horizon, a glorious sight. Return to the lodge for breakfast and time to relax and enjoy the facilities. Amboseli is not a large park, however the unusual dusty terrain of the dry lakebed and swamps makes an interesting place to explore. There are huge herds of elephants here and if you are lucky, you'll catch them crossing sedately across the grassy plains with Kilimanjaro as a backdrop. A classic photo opportunity.
