

Kenya Highlights Trail 8 nights

Summary

An Africa Honeymoon can be the ultimate romantic getaway. Imagine a candlelit romantic dinner for two, served in total seclusion, right in the heart of the African wilderness, or lazing back after a day of spotting the big five, staring at the brightly lit stars without a care in the world, listening to the call of the wild. This is the reality of an Africa honeymoon and combining your African Safari with a tropical Indian Ocean island such as Mauritius, Seychelles, Zanzibar or the islands off the coast of Mozambique makes an Africa Honeymoon Safari a dream come true.
