

## The Giants Meeting 10 nights

### Summary

Halkidiki in Greek Mythology is where the giants were born from the body of the Earth when the blood dripped onto the wound of Heaven after the amputation of Saturn. That's why this trip is called "The Giants Meeting". Kavourotrypes are famous for the turquoise water and the white rocks. It is a long rocky coastline on the east side of Sithonia, interrupted by small enclaves of well hidden sandy beaches thus creating an astonishing natural environment especially when explored.
