Days 1 & 2: Kulala Desert Lodge, Kulala Wilderness Reserve

Upon arrival at Windhoek airport, meet greet and transfer to Kulala Desert Lodge
Explore the famous red dunes of Sossusvlei and our 37 000-hectare private reserve where you will discover life in one of the world's oldest and most arid deserts

Day 3: Hansa Hotel, Swakopmund

Your light aircraft transfer to Swakopmund Airport is in fact a spectacular scenic flight that flies over the only well-preserved shipwreck in Namibia, endless dune fields and even an old diamond mining settlement
Discover the town of Swakopmund and bed down in the historic Hansa Hotel that forms part of city's architectural culture

Day 4: Hansa Hotel, Swakopmund

Explore the ice-blue Atlantic coast on a boat cruise (weather permitting) as well as the imposing Sandwich Harbor dune fields by 4x4 vehicles
The adventure is rounded off with a private seafood lunch before driving back to Walvis Bay

Day 5: Terrace Bay Lodge, Skeleton Coast National Park

Continue your journey by road for approximately 380 kilometers / 236 miles up the legendary Skeleton Coast (named for the numerous shipwrecks the treacherous shores have claimed over the years)

Expect to see the fascinating lichen plains at Wlatskabaken, remains of the Zelia shipwreck near Henties Bay and the SW Seal shipwreck near Ugabmund

You also take in the ghostly remains of mining operations near Toscaninis

Days 6 & 7: Hoanib Skeleton Coast Camp, Palmwag Concession

Continue through the Skeleton Coast National Park to the Möwe Bay Museum and then stop and admire the remains of the Suiderkus shipwreck. Other attractions will be the Klein Oase and Auses Springs in the dunes, an intriguing "roaring" dune and spectacular desert scenery combined with whatever wildlife presents itself

A land of rugged scenery, this remote part of Namibia is inhabited by incredible desert-adapted plant and animal life in the surrounding mountains, vast plains, dunes and dry riverbeds

Days 8 & 9: Desert Rhino Camp, Palmwag Concession

Another exciting day on the road to Desert Rhino Camp through the rugged, rocky and mountainous Palmwag Concession brings with it the opportunity of seeing giraffe, oryx and springbok

The specialty of the area is its growing population of the rare desert-adapted black rhino (the largest concentration in the world outside a national park), which are monitored and protected by the Save the Rhino Trust

Day 10: Wilderness Air

Bid farewell to your adventure as you transfer to the Doro Nawas Airstrip to return to Windhoek
Transfer to Windhoek airport for your departure flight
